**Electronic Chart Display
Information Systems**

ECDIS Class

**Oct 24-28 & Dec 12-16, 2011
at UAS Tech Center Rm R-118**

Cost: \$750 All books and materials provided.

Taught by Captain Karl Luck, a local marine pilot, this class uses charts and scenarios from local waterways, providing emphasis on situations encountered in SE Alaska. This class is limited to 5 students, so early registration is highly encouraged.

For registration info call: (907) 228-4511
