What is the purpose of your transits?

Where do you normally operate?

On what other vessels do you transit aboard on this waterway (and frequency)?

What are the primary charts you use?

**Are these charts adequate for your use?
If not please explain why.**

Are there any aids to navigation, which you feel, are needed? If so, please explain where and why.

What is the most difficult or dangerous part of this waterway?

Please return this survey to the address, fax or email below. Thank you for your comments and interest in this important study. If you have any questions or specific concerns, please contact LTJG Morgan Barbieri at (907) 966-5470 or (907) 966-5574 fax.
